Join with your WISNAPA friends for our winter membership meeting.

We will enjoy a chili lunch, have a business meeting, elect 2019-2020 officers, hear from our guest speaker, and stuff care packages.

Our guest speaker will be Sarah Olson, a 1997 graduate of USNA. She graduated with a political science degree and service selected special operations. After Navy Dive School, Surface Warfare Officer School, and serving 24 months aboard USS Safeguard, she went on to earn her Explosive Ordnance Disposal (EOD) 'crab' in 2002. She later served in Kuwait and Iraq where she earned a combat action ribbon as one of the first women in Iraq.

We will be preparing care packages for our current midshipmen to help them through the "Dark Ages". Please bring enough "goodies" to fill 38 care packages. If you are unable to attend the meeting, please consider sending a donation to help defray the cost of shipping and purchasing extra care package items.

If you plan to attend the meeting, please RSVP using the following Sign-up Genius link:
